At St John Fisher High School we will ensure that at every level, in all our work and throughout all aspects of School community and its life, all will be treated equally, with respect and dignity, free from discrimination and harassment. Each person will be given fair and equal opportunities to develop their full potential regardless of their age, disability, gender, gender-identity, race, religion or belief, appearance, health conditions, home or personal situation, sexual orientation, pregnancy and maternity (refers to staff / employment), socio-economic background and special educational needs. Our School will tackle the barriers, which could lead to unequal outcomes for these protected groups, ensuring there is equality of access and that we celebrate and value the diversity within our School community. The School will work actively to promote equality and foster positive attitudes and commitment to an education for equality.

At St John Fisher Catholic High School, we know that it can be fun to use technology as part of your learning experience. We want everyone to be able to use technology, like computers and surfaces, but it is important that you are safe when using them.

We have created this agreement to help you understand how to be safe when you are using technology. Please read this carefully and sign your name to show that you understand your responsibilities when using technology. Ask your teacher if there is something that you do not understand.

I will:

- ✓ Only use technology, such as a computer, when a teacher has given me permission.
- ✓ Only use technology for the reason I have been asked to use it.
- ✓ Only use the internet when a teacher has given me permission.
- ✓ Ask for help when I have a problem using the technology.
- ✓ Look after the device and try not to damage it.
- ✓ Tell the teacher if my device is not working or damaged.
- ✓ Tell the teacher if I think someone else is not using technology safely or correctly.
- ✓ Tell the teacher if I see something online that I think is inappropriate or that makes me upset.
- ✓ Follow the online safety guidelines that I have been taught in school.

I will not:

- * Tell another pupil my username and password.
- * Share personal information, such as my age and where I live, about myself or my friends online.
- * Access social media, such as Facebook and WhatsApp.
- * Speak to strangers on the internet.
- * Take photos of myself or my friends using a school device.

Please read each statement and provide a tick to show that you agree, and then write your name below.

- I understand why it is important to use technology safely and correctly.
- I understand my responsibilities when using technology.
- I understand that I may not be allowed to use technology if I do not use it safely and correctly.
- I will follow these rules at all times.
